A Clarification was made of the previous Motion by Judge Aleshire that Commissioner Sonleitner’s Motion constituted, for the time being, instructions to staff to pursue this project along the lines outlined in the Clerk’s proposal with exception regarding the date, that it be one year from whenever the negotiation is completed and that those stand as the direction from the Commissioners’ Court unless it is brought back to Court for change.

The previous Clarification was footnoted by Commissioner Biscoe that getting this done requires the cooperation of effective Department Heads and everyone needs to try a little harder. Lots of people will be affected by the moves of one Department and if everyone puts their heads together and tries to figure out a way to get it done, there will be a lot more progress.
